DECISION NO. 91-10

MOTION FOR RECONSIDERATION AND REHEARING

On January 3, 1991, Counsel for the Complainant, S.E.A., Local 1984 and Benjamin Mozrall filed a request for reconsideration and rehearing of the PELRB's decision No. 90-131. (Specifically taking exception to the findings.) With respect to workers compensation investigation conducted by the Department, the issuance of an alleged unsafe motor vehicle, the SWAT Team participation in a Berlin incident and further that PELRB demonstrated a misunderstanding of the whole unfair labor practice charge etc.

The request for reconsideration is based on disagreement with the PELRB's findings and contain no new evidence offered for consideration.

Upon review of decision No. 90-131 and evidence submitted at the original hearing the Board finds no new evidence to merit reconsideration, therefore, the Motion for Reconsideration and Rehearing is DENIED.
